Okay, rabbit for me then.
I made some pieces too, so let's use them.
Why did I get the only similar looking piece? Isn't this just me?
A cat...
I thought we could give this a try, since we have the opportunity and all.
I'm good.
We'll decide the order by the highest roll.

How kitsune!
Yuigahama-san .. Are you here?
I'm going home, that's why.
TOTSUKA !?
1, huh? Guess I'm last then.
tumble
You start off with the lowest roll and become last I shouldn't have expected anything less.
Yuigahama-san asked me if I wanted to play some games.
You're going home, Hachiman?
What do you mean by that?
Don't think too hard on it.
Perhaps "loner" was what you wanted to say?
Do you really think I'd leave you here alone?
Totsuka's too cute!

How about buying snacks?
That works. Let's go with that!

Yukinon, you're not going to cast a charm?

Didn't you just get a bad roll from the charm earlier...?

He's such a nice boy!

I kept trying, but I just couldn't land on the marriage square...

No luck with marriage even in games? Someone just take her already ..

...Well, if you insist, Totsuka...
Totsuka's seriously an angel! Please marry me!
Yeah. Let's go!
